ALWAYS LOVE EACH OTHER

If you can always be as close,
and as happy as today.
Yet be secure enough to grow,
and change along the way.
If you can keep alone,
your love as man and wife,
Yet find the time to share your joy,
With others in your life.
If you can be as one,
and walk through marriage
hand in hand,
yet still support the goals
and dreams,
that each of you had planned.
If you can dare
to always go,
your separate ways together,
then all the wonder of today,
Will stay with you forever.

"TAKE TIME"

Take time to be gentle to each other.

Remember, words that are harshly spoken,
trouble the spirit, heart and mind.

Take time to talk to each other.

The secret to understanding, is in open communication.

Don't be afraid to speak your mind, but listen in return and listen
carefully, wisely and not selfishly.

Take time to remember, why you chose one another.

And don't try to change one another,
but learn to grow and value one another.

Take time to show respect, and be a friend to each other.

Admiration can be seen by others, by that look,
by that smile, by that touch.

Be a good teacher, be a good student,
you each have so much to share, and offer one another.

Take time to be alone, so that you can gather your innermost
thoughts, and then share them with each other,
when you're together again.

Take time to reflect, and be thankful for each other,
and what you have achieved.

And when change is needed, express it with a mix of
individualism and togetherness.

Take time to disagree with one another,
it clears the air and the lungs,

and agree never to carry a row over to tomorrow.

Remember, there others in this world. Don't live only for each other.
You are also part of families and have friends. Don't block their love.

Lastly, take time to be loving. Its what everyone needs.

Every hour, every day and for the rest of you lives.

Love each other as we love you. Today and always.

And go on your way, knowing there are others here today,
Who love you almost as much.

As you love one another.

FROM AN AMERICAN INDIAN CEREMONY

May the sun bring you new energy
by day.

May the moon softly restore you
by night.

May the rain wash away your worries,
and the breeze blow new strength
into your being.

And all the days of your life,
may you walk gently,
through the world,
and know its beauty.

Now you will feel no rain,
for each will shelter the other.

Now you will feel no cold,
for each warm to the other.

Now there is no more loneliness,
you are two people,
but there is only one life before you.

Go now to your dwelling,
to enter into the days of your life
together,

and may your days,
be good and long upon the earth.

WHEN YOU MARRY HER

When you marry her, love her.
After you marry her, study her.
When she is blue, cheer her.
When she is talkative,
by all means listen to her.
If she dresses well, compliment her.
When she is cross, humour her.
If she is jealous, cure her.
If she is lonely, comfort her.
When she looks pretty, tell her so.
Let her feel you understand her.
But never let her know she isn't boss.
When you marry him, love him.
After you marry him, study him.
If he is secretive, trust him.
If he is sad, cheer him.
When he is talkative, listen to him.
When he is quarrelsome, ignore him.
If he is jealous, cure him.
If he cares not for pleasure, coax him.
If he favours society, accompany him.
When he deserves it, kiss him.
Let him think you understand him.
But never let him know you manage him.

LES MISERABLES

You can give
without loving,
but you can never love
without giving.
The great acts of love,
are done by those,
who are habitually performing,
small acts of kindness.
We pardon to the extent,
that we love.
Love is knowing,
that even when you are alone,
you will never be lonely again.
And great happiness of life,
is the conviction that we are loved.
Loved for ourselves.
And even loved
in spite of ourselves.

CAPTAIN CORELLI'S MANDOLIN

Love is a temporary madness
It erupts like a volcano,
and then subsides.
And when it subsides
you have to make a decision.
You have to work out,
whether your roots
have so entwined together,
that it is inconceivable
that you should ever part.
Because this is what love is.
Love is not breathlessness.
It is not excitement.
It is not the promulgation
of eternal passion.
That is just
being 'in love'
which any fool can do.
Love itself is what is left over,
when being in love
has burned away,
and this is both an art
and a fortunate accident.
Those that truly love,
have roots, that grow
towards each other underground.
And when all the pretty blossom,
has fallen from their branches,
they find that
they are one tree,
and not two.

WHAT IS LOVE

It's a journey of promise
that two make together,
to find the happiness they'll share forever.

It's a smile, a word, a gentle touch,
that can't be explained and yet

means so much

It's making plans

and seeing them through,

and finding new things that two can do.

It's knowing the sky isn't always blue,
but smiling, until the sun breaks through.

It's trust, and confidence no hidden fears.

That adds to the happiness

through the years

It's dreaming dreams, just made for two,
and sharing the joy, when they come true.

It's closeness shared, in a crowded street,
and that special thrill, as true lovers meet.

It's making a world

where happiness holds,

a special magic, as each day unfolds.

It's when little thoughts,

give the heart a lift,

an occasion remembered

a simple gift.

It's the faith and the hope,

the pride and the care,

and the wonderful world,

that you both share.

THIS DAY

This day I marry
my best friend,
the one I laugh with,
as we share
life's wondrous zest,
as we find new enjoyments,
and experiences,
all that's best.
The one I live for,
because the world
seems brighter,
as our happy times
are better,
and our burdens
feel much lighter.
The one I love,
with every fibre of my soul.
We used to feel
vaguely incomplete,
now together
we are whole

THE ART OF MARRIAGE

A good marriage must be created.
It is a relationship based on love, respect and determination, on the part of both husband and wife.

In marriage the little things are the important things.

It is never being too old to hold hands.
It is remembering to say "I love you", at least once each day.

It is never going to sleep angry.

It is having a mutual sense of values, and common objectives

It is standing together and facing the world.

It is forming a circle of love, that gathers in the whole family.

It is speaking words of appreciation, and demonstrating gratitude, in thoughtful ways.

It is having the capacity, to forgive and forget.

It is giving each other an atmosphere, in which each can grow.

It is a common search, for the good and the beautiful.

It is not only marrying the right person.

It is being the right partner.

WEDDING DAY

Now comes the knitting,
the tying, entwining into one.
Mysterious involvement
of two whole,
separate people,
into something
altogether strange,
and changing,
new and lovely.
Nothing can ever be,
we will never be,
the same again;
Not merged into each other
irrevocably,
but rather
from now on
we go the same way,
in the same direction.
Agreeing not
to leave each other lonely
or discouraged,
or behind.
I will do my best
to keep my promises,
to treasure you
and keep you warm,
and we will make
our wide bed
beneath the bright
and ragged quilt
of all the yesterdays,
that make us who we are;
The strengths and frailties
we each bring to this marriage,
and we will be rich indeed.

YOUR WEDDING DAY

Today is a day
you will always remember,
the greatest day in anyone's life.
You'll start off the day
just two people in love
and you'll end it as husband and wife.
It's a brand new beginning,
the start of a journey,
with moments to cherish and treasure.
and although there'll be times
when you both disagree,
these will surely be
outweighed by pleasure.
You'll have heard many words of advice
in the past,
When the secrets of marriage were
spoken,
but you know the answers
lie hidden inside,
where the bond of true love
lies unbroken.
So be happy forever,
as lovers and friends
It's the dream of a new life for you,
as you stand there together,
with love in your eyes.
From the moment you whisper "I do".
And with luck, all your hopes
and your dreams can be real.
May success find its way to your hearts.
Tomorrow can bring you
the greatest of joys
But today is the day it all starts.

MARRIAGE JOINS TWO PEOPLE IN THE CIRCLE OF ITS LOVE

Marriage is a commitment to life,
the best that two people can find,
and bring out of each other.

It offers opportunities for sharing and growth,
that no other relationship can equal.

It is a physical and an emotional joining,
that is promised for a lifetime.

Within the circle of its love,
marriage encompasses all of life's
most important relationships.

A wife and husband are each other's
best friend, confidante, lover,
teacher, listener and critic,

and there may come times, when one partner is
heartbroken or ailing, and the love of the other,
may resemble the tender caring
of a parent for a child.

Marriage deepens and enriches every facet of life.

Happiness is fuller, memories are fresher,
commitment is stronger, even anger is felt more
strongly and passes away more quickly.

Marriage understands and forgives
the mistakes life is unable to avoid.

It encourages and nurtures new life,
new experiences and new ways

of expressing a love that is deeper than life.

When two people pledge their love and care for
each other in marriage,

they create a spirit unique unto themselves,
which binds them closer together than any spoken
or written words.

Marriage is a promise, a potential
made in the hearts of two people
who love each other
and takes a lifetime to fulfil.

WEDDING DAY

The day of your wedding, is a time to reflect,
on the things you can hope for,
and the things to expect.

You could hope for great riches,
huge bundles of cash,
but then lose it all,
in a Stock Market crash.

Or you could hope for,
a life of great ease,
with the time and the money,
to do as you please.

But it's better to hope,
for the good things in life,
Like a long happy life, as husband and wife.

Like the smile and the kiss,
as you walk through the door,
and the baby that wakes you,
at a quarter to four.

And a life of variety, with sunshine and rain,
and Frosties for breakfast,
instead of champagne.

Expect times of anger, the occasional huff,
because no-one annoys you,
like the one that you love.

But don't look for problems,
that the future may bring,

Just to love and be loved, is a wonderful thing

Life's not all plain sailing, not always a ball,
but I know you'll be happy,
because love conquers all.
